

SAVAS MARBLE

ITALY

DUBAI

TURKIYE

Savas Marble Brings the world's finest natural stones to the heart of the GCC. With roots in Italy and Turkey and headquarters in Dubai, the company connects exclusive quarries to visionary architects and developers, delivering materials defined by rarity, character, and timeless beauty

Each slab is hand-selected from renowned origins including **Italy, Turkey, Brazil, and Greece**, Chosen for its elegance and authenticity. Through direct quarry partnerships, Savas Marble ensures premium quality, full traceability, and a seamless supply experience from source to site

Refined, reliable, and uncompromising, Savas Marble Dubai supplies statement surfaces for luxury residences and landmark projects. Every selection reflects precision, exclusivity, and a commitment to excellence that defines exceptional spaces

DROP COFFEE ROASTERS

Contents: Coffee
6-12 oz packages
Net weight: 60g

This translucent sample box contains 12oz
bags of the following three coffees: Estimote Sidama,
Guatemala Antigua, and Peru Cuzco.

This Drop Origin Sample Box is
a useful tool for coffee lovers.
It contains a variety of coffee
bags in a single box, allowing you
to sample different coffee origins
and roast levels in one place.

Drop Coffee Roasters is
a small business that roasts
coffee in small batches. We
are proud to highlight the best
coffee in the world.
